## **Hi-Tech Home Honored with Fresno Bee's People's Choice Award for the 6th Consecutive Year**

**Clovis, Calif., April 23, 2015** — Hi-Tech Home, a leading electronic systems contractor in the Central San Joaquin Valley, has received The Central Valley's People's Choice Award for the best "Home Theater/Technology Company" for the sixth consecutive year. The 11<sup>th</sup> Annual People's Choice Awards is produced by The Fresno Bee and relies entirely on votes from the public to determine winners.

Hi-Tech Home is Central California's leading electronic systems provider specializing in designing, selling, installing and supporting affordable and easy-to-use technology for residential and commercial projects. The company provides solutions for home theater, audio, video, networking, automation, lighting control, security, surveillance and energy management services.

"To be recognized by our community for the sixth straight year is an absolute honor," said Jay Cobb, president of Hi-Tech Home. "We take great ownership and pride in every project small and large, and aim for nothing short of superior service."

Hi-Tech Home has been involved in some of the largest projects in the Valley including GB3 sports clubs, Saint Agnes Medical Center, Southern California Edison, Stanford Hospital and Clinics, Doghouse Grill, Peachwood Medical, Fresno County, Fresno Police Department, City of Clovis, Clovis Unified School District, Copper River Country Club, Mission Foods, Ruiz Foods, and hundreds of other residential and commercial projects.

The company offers integration and automation solutions by making electronic systems work together seamlessly. By integrating everything from lighting, music, video, climate control, and security into easy to control smart phones, tablets, or other touch panels, Hi-Tech Home can enhance convenience, comfort, peace of mind and even save money with energy management solutions. The company offers competitively priced systems ranging from a couple hundred dollars to several hundred thousand dollars, based on the goals and objectives of its customers.
