Clovis Award Program Honors the Achievement

CLOVIS March 2, 2017 -- Hi -Tech Home has been selected for the 2017 Best of Clovis Award in the Stereo & Hi-Fi Equipment Installation category by the Clovis Award Program.

Each year, the Clovis Award Program identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Clovis area a great place to live, work and play.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2017 Clovis Award Program focuses on quality, not quantity. Winners are determined based on the information gathered both internally by the Clovis Award Program and data provided by third parties.
