Hi-Tech Home Honored with People's Choice Award for 8th Consecutive Year

CLOVIS, CA, April 30, 2017—Hi-Tech Home, a leading technology integration provider, specializing in the design, sales and installation of entertainment, security and energy management services in Central California, won the Fresno Bee's People's Choice Award for Home Theater/Technology Company. This is the eighth consecutive year that the company has received the honor.

"To receive this award for the eighth consecutive year is a huge honor. We are particularly pleased to be recognized by the residents of the community we serve," said Jay Cobb, President of Hi-Tech Home. "We want to extend a special thank you to everyone who voted us, and will continue to provide quality service to the community."

The Fresno Bee People's Choice Awards are awarded annually to Central Valley businesses. Recipients are chosen in a variety of categories based on votes submitted by the newspaper's readers.
